

## Aligned with Kansas Curriculum Standards

Unique, Independent, High-Quality  
Assessment Questions Expressly for  
Student Achievement in Kansas

The **ExamView® Learning Series** (*Learning Series*) is a collection of unique, high-quality questions specifically aligned to the Kansas Curriculum Standards. The *Learning Series* works in concert with **ExamView® Assessment Suite**—the industry's leading classroom assessment tool—to produce study guides, worksheets, and formative assessments to help instructors review, reteach, reinforce, and supplement standards-based instruction.

The **ExamView Learning Series** questions are aligned to only one standard, ensuring the strongest possible alignment to Kansas' academic standards.

**Language Arts.** The *Learning Series* language arts questions are aligned with the indicators in the 2004 Curriculum Standards. Questions for grades 3–8 are available for the Writing standard.

**Math.** The *Learning Series* math questions are aligned with the indicators in the 2004 Curriculum Standards. Questions for grades 3–10 are organized by the following four standards: Number and Computation, Algebra, Geometry, and Data.

**Reading.** Aligned with the indicators in the 2003 Curriculum Standards, the *Learning Series* reading questions are organized according to reading passage. Reading passages include cross-curricular reading selections in a variety of genres with questions designed to assess higher-order thinking skills. Each reading passage offers multiple questions that correspond to that passage.

**Science.** The *Learning Series* science questions are aligned with the indicators in the 2007 Curriculum Standards. Questions are organized by the following topic categories: Earth and Space Science, History and Nature of Science, Life Science, Physical Science (grades 5–7 only), Science and Technology, Science as Inquiry, Science in Personal and Environmental Perspectives, Chemistry (grades 8–12 only), and Physics (grades 8–12 only).

**Social Studies.** The *Learning Series* social studies questions are aligned with the indicators in the 2005 Curriculum Standards for History and Government; Economics and Geography. The social studies questions are organized by the following topic categories: Civics-Government; Economics; Geography; Kansas, United States, and World History (grade 8 only); United States History (grades 9–12 only); and World History (grades 9–12 only).
